- 🏏 Looking forward to Foxhills during the August summer holidays.

2. Captain.

- Introduction of at least a captains charity ball sometime later in the year.
- Consideration to be given towards other social events to be organised by the committee!
- The requirement for representative teams to have at least three competitive singles competitions in the last 2 years, as part of their handicap has been changed.
- In line with all Surrey competitions - as a man to play in representative team for Foxhills you will need four et singles competitions in the last year and has a woman three competitive competitions in the last year.
- Emphasis on getting new members to play in the competitions, and the teams was reiterated.

- Committee to support Golf Services - getting first handicap seasons led by the pro. SG/Committee to formulate boundaries of the event and committee involvement.
- Honours boards nearly complete proposed change in backing colour to white.
- PB queried change in colour reminding committee that they were the same as Farleigh's and therefore a standard Foxhills branding shade.
- Hole in one board progressing.
- Piecemeal approach, approved for trophy, engraving. SB/SE/IH working on the engraving.

4. Next Two Months:

- Run through (between Golf Services and the committee), of the next two months competitions via the fixtures list attached to the minutes reinstated - to ensure we don't fall/fail this way again.
- As a result of that review the 9/10th March weekend was reviewed.
- Decision to keep the Brian Peyton pairs on the 9th March remains, where is.
- There is a need to promote this competition as currently interest, not particularly full.
- Reschedule for later in the year the scramble that was on the 10th (Mother's Day!).
