## ABOUT

The FoxStars Junior Golf Programme - carefully crafted by our experienced team of PGA Professionals - is completely unique to Foxhills Club & Resort. Our coaches are extremely passionate about developing the next generation of golfers and collectively have over 50 years' experience and knowledge of working with young, aspiring players. FoxStars is a fun, engaging coaching programme for children aged 5 to 15 years and suitable for both those new to the game and already playing with a desire to improve. Upon signing up, each golfer will receive a golf cap and log book where they can record their journey. There are 10 levels to complete, with a milestone at levels 4 (Bronze), 7 (Silver) and 10 (Gold). A certificate and medal will be presented following the completion of each level. Coaches will ensure each student progresses at a rate at which they are comfortable and surrounded by like-minded young golfers. As well as packed with great instruction, challenges and interactive competitions, FoxStars creates an environment that's fun.
