#### 3.1. Treasurer -

Year on Year analysis July to December 2023, after accrual adjustments, showed

- a) revenue similar
- b) costs higher due to 2 Captain's blazers in financial year
- c) Overall income £500 lower

Treasurer's Account balance = £6,463.91 (2022 = £7,986.43)

Charity Account balance = £9,490.03

- a) Sue = £8,686.61
- b) Ian = £803.42

DM - Concerned raised regarding the revenue streams of the committee, 1400 rounds played in 2023. Deemed to be enough - to some extent alleviating concern over threats to committee funds.

IH - produced figures concerning the 2023 number of individual men members who've played in club comps during 2023. Some 334.

PB - produced figures from a previous analysis, as a comparison.

2015 262/1648

2016 270/1564

2017 305/1855

2018 256/1361

2019 289/1905

2020 321/1560

Whilst the figures are of interest - there are a number of items to be considered:

Previous analysis all members/men only in IH figures/less members in period 2015-2020.

SG/DM - to meet and discuss possibility of Foxhills Golf Services taking on purchasing of all committee items.

IH/PB - voicing concerns regarding committee's credibility and autonomy were raised.

PB - asking for the VAT element of this service and how that may complicate and indeed adversely alter, tax payments and status, for Club Committee and Foxhills.
